

# 21<sup>st</sup> Workshop on Vitamin D

## Scientific Program as of February 12, 2018

---

### Wednesday, May 16

- 1:00 PM Registration / Hospitality Desk Opens  
5:00 PM **Welcome Reception and Plenary Poster Session**

### Thursday, May 17

- 8:15 AM **Basic Research Keynote:**  
A Year in Vitamin D: Basic/Translational ..... Marie Demay
- Session I: Vitamin D and Bone Disease**
- 9:00 AM Prevention of Nutritional Rickets..... Wolfgang Hogler  
9:25 AM Vitamin D Metabolism and Signaling in Bone Paul Anderson
- Session II: Bioinformatics**
- 11:00 AM Genetics of Vitamin D Level and Action.....Andre Uitterlinden  
11:25 AM Pathway Analysis for Vitamin D .....Susan Coort
- Session III: Vitamin D and Cancer**
- 2:20 PM Mechanisms of Action of Vitamin D in Colon Cancer .....Alberto Munoz  
2:45 PM Development of Calcitriol and Analogues as Cancer Therapies:  
A History of Missed Opportunities ..... Donald Trump
- Session IV: Vitamin D, Immunology and Respiratory Disease**
- 3:40 PM Vitamin D and Respiratory Infection.....Adrian Martineau  
4:05 PM Vitamin D and COPD .....Wim Janssens

### Friday, May 18

- Session V: Vitamin D Nutrition**
- 8:00 AM ODIN Project and Food Fortification..... Mairead Kiely  
8:25 AM Dietary Vitamin D: An EPIC Perspective..... Jakob Linseisen
- Session VI: Vitamin D, Aging and the Brain**
- 10:30 AM Vitamin D and Neurological Function ..... Darryl Eyles
- Session VII: New Functions for Vitamin D**
- 2:00 PM 25-hydroxyvitamin D and Lipid Metabolism..... Motonari Uesugi  
Vitamin D, cell metabolism and immune function.....Chantal Mathieu
- Session VIII: Vitamin D Chemistry and Analogs**
- 4:10 PM Calcitriolic acid and its phase II metabolites Alexander (Leggy) Arnold

### Saturday, May 19

- 8:00 AM **Clinical Research Keynote:**  
A Year in Vitamin D: Clinical.....Peter Ebeling
- Session IX: Vitamin D and Reproduction**
- 8:45 AM Vitamin D and Pregnancy: A Trials Perspective ..... Carol Wagner  
9:10 AM Maternal Vitamin D and Neonatal Immunity ..... Catherine (Kasia) Hawrylowicz
- Session X: Optimizing Vitamin D status**
- 10:30 AM Dosing Regimens for Vitamin D .....Kevin Cashman
